Specific Purchase Authority Delegated

Effective Date: December 14, 2007

Expiration Date: June 30, 2009

Lottery S-1 If no state contract exists, the Washington State Lottery is delegated authority to purchase goods and services with a value of up to \$1.00 less than the sealed bid limit in effect at the time of purchase. This limit reflects the cost of the acquisition to the agency before any trade-in, sales tax, freight charges and other government fees and taxes. Excluded from this authority are those goods and services listed in Section 8 Non-Delegated Purchases of the Washington Purchasing Manual. There is no maximum aggregated spend limit under this authority.

Purchases under this Authority must be conducted according to state purchasing policy under the Washington Purchasing Manual. These specific authorities do not in themselves represent a sole source authorization of any kind.
